

What will your legacy be?

Students with learning disabilities simply learn differently. They just need our help.
Let's create a giving plan together. The children are relying on us.

Become a member of The Hill School of Wilmington Legacy Society today.
There are many ways to make a gift.

What is Planned Giving?

- The advantages of planned or estate gifts benefit both the donor, as well as current and future students of The Hill School of Wilmington. Please consult a legal and/or advisor to determine the benefits for you and your family. Your membership commences once we receive official notification of your gift.
- Planned giving helps donors find ways to make charitable gifts now or after their lifetime, while potentially providing financial benefits for themselves and loved ones. Unlike cash donations, planned giving donations are typically made from assets in the donor's estate rather than disposable income.
- Planned gifts take many forms, each tailored to suit the needs of the donors. Individuals who inform The Hill School of a planned gift are identified as a member of The Hill School of Wilmington Legacy Society.
