

The Hill School of Wilmington 2024-2025 Payment Plan Schedules

2024-2025 Academic Year Program (Grades 1-8) Three Hours Daily Instruction (Half-Day)	Tuition/Fees \$12,880.00
--	-----------------------------

Optional:

School Day Tutoring Program*	\$ 6,000.00
------------------------------	-------------

Students may attend daily group tutoring sessions in science and social studies during the other half of the day. They must be registered as home school students.

When a student is accepted, parents receive an enrollment agreement. The student will be enrolled at The Hill School of Wilmington, Inc. when the school has received the completed enrollment agreement and a tuition deposit of \$500.00.

If the parent/guardian decides to withdraw him/her on or after June 1, 2024, then parent/guardian will be held financially responsible for the full tuition due for the entire school year. Only if the School is able to fill the withdrawn student's spot with another acceptable candidate in a reasonable period of time (with such decisions to be made in the School's sole discretion), will the School relieve the parent/guardian of the withdrawn student of the remaining tuition balance, less a \$1000 penalty fee which must be paid by the parent/guardian before release. The fact that charges may be paid in installments does not constitute a partial contract. The parent/guardian understands this enrollment is made for one full school year and that the School has budgeted its annual expenditures in reliance upon this Agreement.

The Hill School of Wilmington, Inc. offers two payment options:
