What Makes Hill Methodology Different from Other Phonics-Based Programs?

The secret to the success of Hill reading instruction lies in the use of what is known as Structured Literacy. Based on scientific evidence, this term has been trademarked by the International Dyslexia Association, a professional organization that is rooted in the work of Mrs. June Orton who created the Orton-Gillingham approach. For the full article click [HERE](#).

“

I guess through my learning disability, through dyslexia, I've always been a visual learner – I take in everything through my eyes.

– Scoot McNairy, Writer/Actor
