The Hill School of Wilmington Oyster Roast & Toast

The Hill School Celebrates Another Successful Oyster Roast & Toast

Nearly 200 people were in attendance for The Hill School of Wilmington's 2023 Oyster Roast & Toast. The dinner and auction took place on March 10th at the Watson College of Education at UNCW and raised considerable funds to support program operations, financial aid, and outreach in the community. This year's event included live music from local band Masonboro Sound, as well as silent and live auctions.

The auctions consisted of over 70 donated products and services from various artists and businesses throughout the community. Live auction items included a diamond necklace, a vacation package to Montreat, NC, and original art pieces from local artists Chip Hemingway and Elizabeth Singletary. These were all in addition to two pieces of original art lovingly created by Hill School students.
